**MESSAGE REVEALED BY THE PRESIDENT**

Law Rules lives of every individual since origin of this world in some or other way. A man who wakes up in morning from his bed is ruled and bounded by various laws till he again goes on bed.

Hence, it is true that "No one is above law". The opportunities today are immeasurable, greater then ever were. Any ambitious person equipped with specialized knowledge and preferably recognized professional qualifications may confidently look forward to a rewarding, interesting and secured future.

Today, the profession of law is over crowded. Many people enter in this profession without knowing the deep roots of it. To be successful in profession one should have 'Honesty', 'Courage', 'Industry', 'wit', 'Eloquence', 'Judgment', 'Hard work and 'Fellowship'. These are the well-accepted principles and retreated by the several jurists and successful advocates.

We welcome you. If you are clear about your interest to become a successful lawyer, prepare for hard work, be committed and determined.

Opportunities will come very fast when there is great need for legal professionals with the advent of changing legal system in India.
